9 DEAF SUCCESS STORIES

About the author

Julie Postance is the author of *Breaking the Sound Barriers: 9 deaf success stories*.

A trained journalist, ghostwriter and marketing professional, Julie's mission in life has always been to 'write words that change lives'.

Since 2005, Julie has worked for leading charity Deaf Children Australia in the marketing department, raising awareness of the issues unique to deaf and hard of hearing children.

During this time, Julie has interviewed hundreds of families of deaf and hard of hearing children, which have formed the basis of stories for publication in national and local media.

When Julie observed a real need for a practical, inspirational resource that would help hearing families raise their deaf and hard of hearing children, *Breaking the Sound Barriers* was born.

Julie has ghostwritten several books on subjects including baby sign language, health and fitness and cosmology. A graduate of Melbourne University, she holds a Bachelor degree in English, Psychology, German and French, and a Postgraduate in Magazine Journalism from London.

Julie currently resides in Melbourne, Australia with her partner, Wes.
